

## Mechanicville-Stillwater IDA Authority Performance Measures

### Accomplishments for 2021:

During 2021 the Agency approved financial assistance for an additional project following a public hearing. The project is a Warehouse located in the Town of Stillwater. The project was approved in 2021 and will close in 2022.

The ELP Solar Project was approved in 2019. The project closed in September of 2021 and paid a closing cost of \$160,000 of which \$50,000 was a contractual administrative fee in association with client/project application to SEDC (Saratoga Economic Development Corporation).
