Proceedings - August 14, 2023 1 (Exhibits Numbers 1 and 2 were marked for 2 identification, this date.) 3 4 **CHAIRWOMAN HERRICK:** I'm going to call the Public Meeting to order. It's 5:15. The 5 Public Meeting is for the amendment to the 6 Polyset application. 7 So I'll turn it over to Tori Riley and 8 Raj Ghoshal. 9 MS. RILEY: Thank you for seeing us this 10 evening. 11 12 At the last meeting we had ran the project by you, and we explained that we're 13 coming back to amend the original numbers. 14 In the original application, there was 15 the acquisition of the two buildings, but 16 construction was coming, and as it turned out, 17 with the additional construction costs, it made 18 sense for them to do the R&D building along with 19 the initial building, and this amendment includes 20 those renovations, as well as the additional cost 21 of construction that was originally approved. 22 With that being said, we're requesting 23 24 the IDA -- we're looking for a ten-year 25 manufacturing PILOT for an incentive, and that is

3

1	Proceedings - August 14, 2023
2	coming in with a property tax abatement request
3	of \$371,937. We're also requesting a sales tax
4	abatement of \$59,780, and also a mortgage
5	recording tax abatement of \$15,255.
6	Again, these are amended numbers from the
7	original application approved.
8	CHAIRWOMAN HERRICK: All right. Does
9	anybody have any questions?
10	Are the numbers correct here, Jim?
11	MR. CARMINUCCI: Yes. I would like to
12	note for the record that the notice of the Public
13	Hearing was provided to the affected taxing
14	jurisdictions on July 12th, 2023, by certified
15	mail, return receipt requested, and a copy of the
16	public hearing notice was published in the Daily
17	Gazette on July 5th, 2023.
18	CHAIRWOMAN HERRICK: Anybody have any
19	questions from the public?
20	(No response.)
21	CHAIRWOMAN HERRICK: I have to ask, but
22	there is no public here, for the record, that I
23	can see. Okay.
24	Does the Board have any questions that
25	they would like to ask at this time? Again, this

1	Proceedings - August 14, 2023
2	is an amended application, so we have already
3	approved the project once, and are we ready to
4	move along?
5	(Discussion off the record.)
6	CHAIRWOMAN HERRICK: All right. Are
7	there any Board members who have any questions
8	regarding the Polyset amendment?
9	MR. HILDRETH: I got one, just so I can
10	throw a question out there.
11	The access in and out of your property,
12	is that going to be off of First Street or off of
13	Central Avenue?
14	MR. GHOSHAL: Off of Central Avenue. We
15	are working with EDP, our engineering firm, to
16	reconfigure the parkway. So we're going to
17	remove there is a foundation from the previous
18	Pennysaver building. So we're looking, as part
19	of the project, to level it and pave that area to
20	accommodate truck traffic.
21	MR. AMODEO: Yes, that makes sense.
22	MR. HILDRETH: You said before they used
23	to back in. That was dangerous. You'd have to
24	be Joey Chitwood to get through there.
25	CHAIRWOMAN HERRICK: How many members of
